Classrooms Equipped with ICT Enabled Facilities

Glimpses of Online Teaching-Learning Methods

Cultural Ecology and Ethnicity

- Ethnicity is **closely linked** to cultural ecology and adaptation.
- Ethnic groups are closely associated with ecology. These ethnic groups work in such a way that they maintain their ethnic status but they still remain distinct from others.
- These ethnic groups are influenced by many factors in selecting their sites. Some immigrants were prompted by a desire, to find those lands which are ecologically similar to those they left behind in the old previous countries.
- In this case, the people were ecologically **preadapted** to get success in finding out new home similar to their own.

Cultural Ecology and Ethnicity Contd.

- **Cultural Preadaptation:**
- **Preadaptation** involves a complex of adaptive traits possessed by a group in advance of migration that gives them the ability to survive and a competitive advantage in colonizing the new environment.

As per the demand of various academic departments and information collected from the Teaching Departments concerned, it has come to the notice that a few seats are lying vacant in some of the Teaching Departments/Institutes. The Hon'ble Vice-Chancellor has been pleased to allow the Teaching Departments/Institutes of H.P. University, H.P. Regional Centre Dharamshala and Department of Evening Studies to fill up the vacant seats upto 15th January, 2021.

The candidates can apply online on the admission portal (www.admissions.hpuniversity.in) of H.P. University and upload the requisite documents upto 04th January, 2021. However, the candidates who have already filled the application form earlier may also upload their documents upto 04th January, 2021. The admissions to these vacant seats will be made on the basis of the merit of the qualifying examination on or before 15th January 2021. The admission portal will be opened on 31.12.2020.

Information Regarding Remote Access to E-Resources

1 message

Respected Librarian, HPU, I hope that you are all keeping well and staying safe. It is well known to you due to COVID-19 the HPU University Central Library has been closed, as our University Library authority has taken the decision to provide the remote access to its journals and books. I am happy to inform you that information has readily agreed to our proposal and has provided the following online link that is for journals and books on read basis for one month.

2.3.2. Teachers use ICT enabled tools including online resources for effective teaching and learning processes

In the present era, it is essential for the students to learn and master the latest technologies in order to be corporate ready. As a consequence, teachers are combining technology with traditional mode of instruction to engage students in long term learning. The Department uses Information and Communication Technology (ICT) in education to support, enhance, and optimize the delivery of education. The following tools have been used by the Department.

ICT Tools:

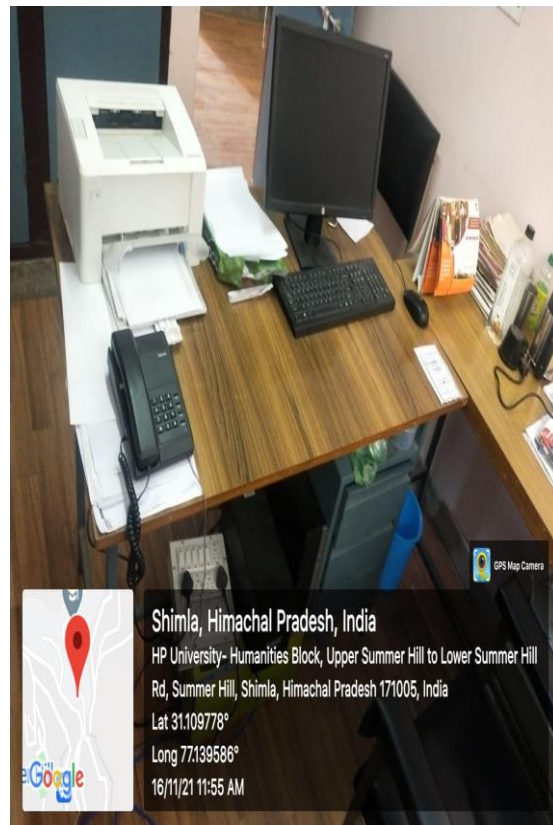

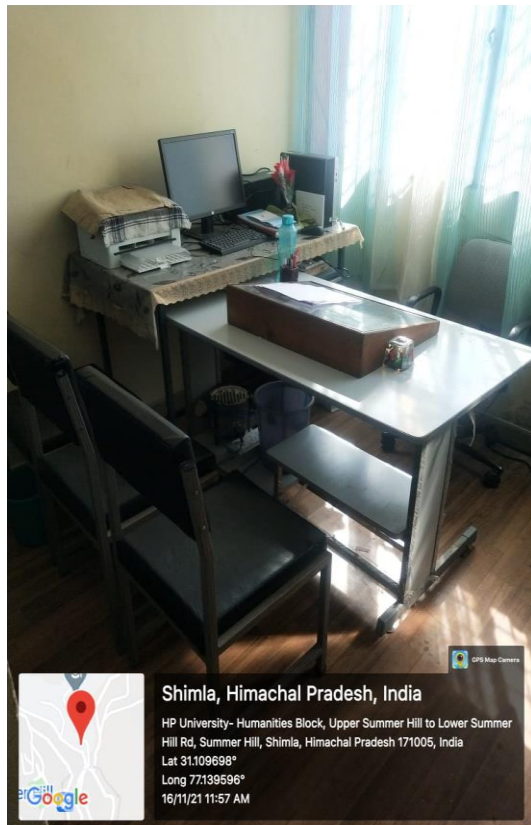

- Projectors- 04 projectors are available in different classrooms/labs.
- Desktop and Laptops- Arranged at Computer Lab and Faculty cabins all over the campus.
- Printers - are installed at Chairman Cabins and all prominent places.
- Photocopier machines - Multifunction printers are available at Chairman's room. There is 01 photostat machine available in the Department.
- Scanners - Multifunction printers are available at all prominent places.
- Seminar Room is also equipped with all digital facilities.
- Online Classes through Zoom, Google Meet, Microsoft Team, Google Classroom).

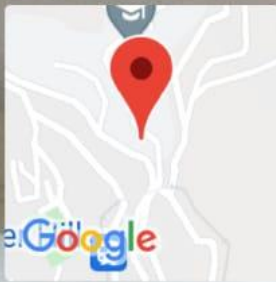

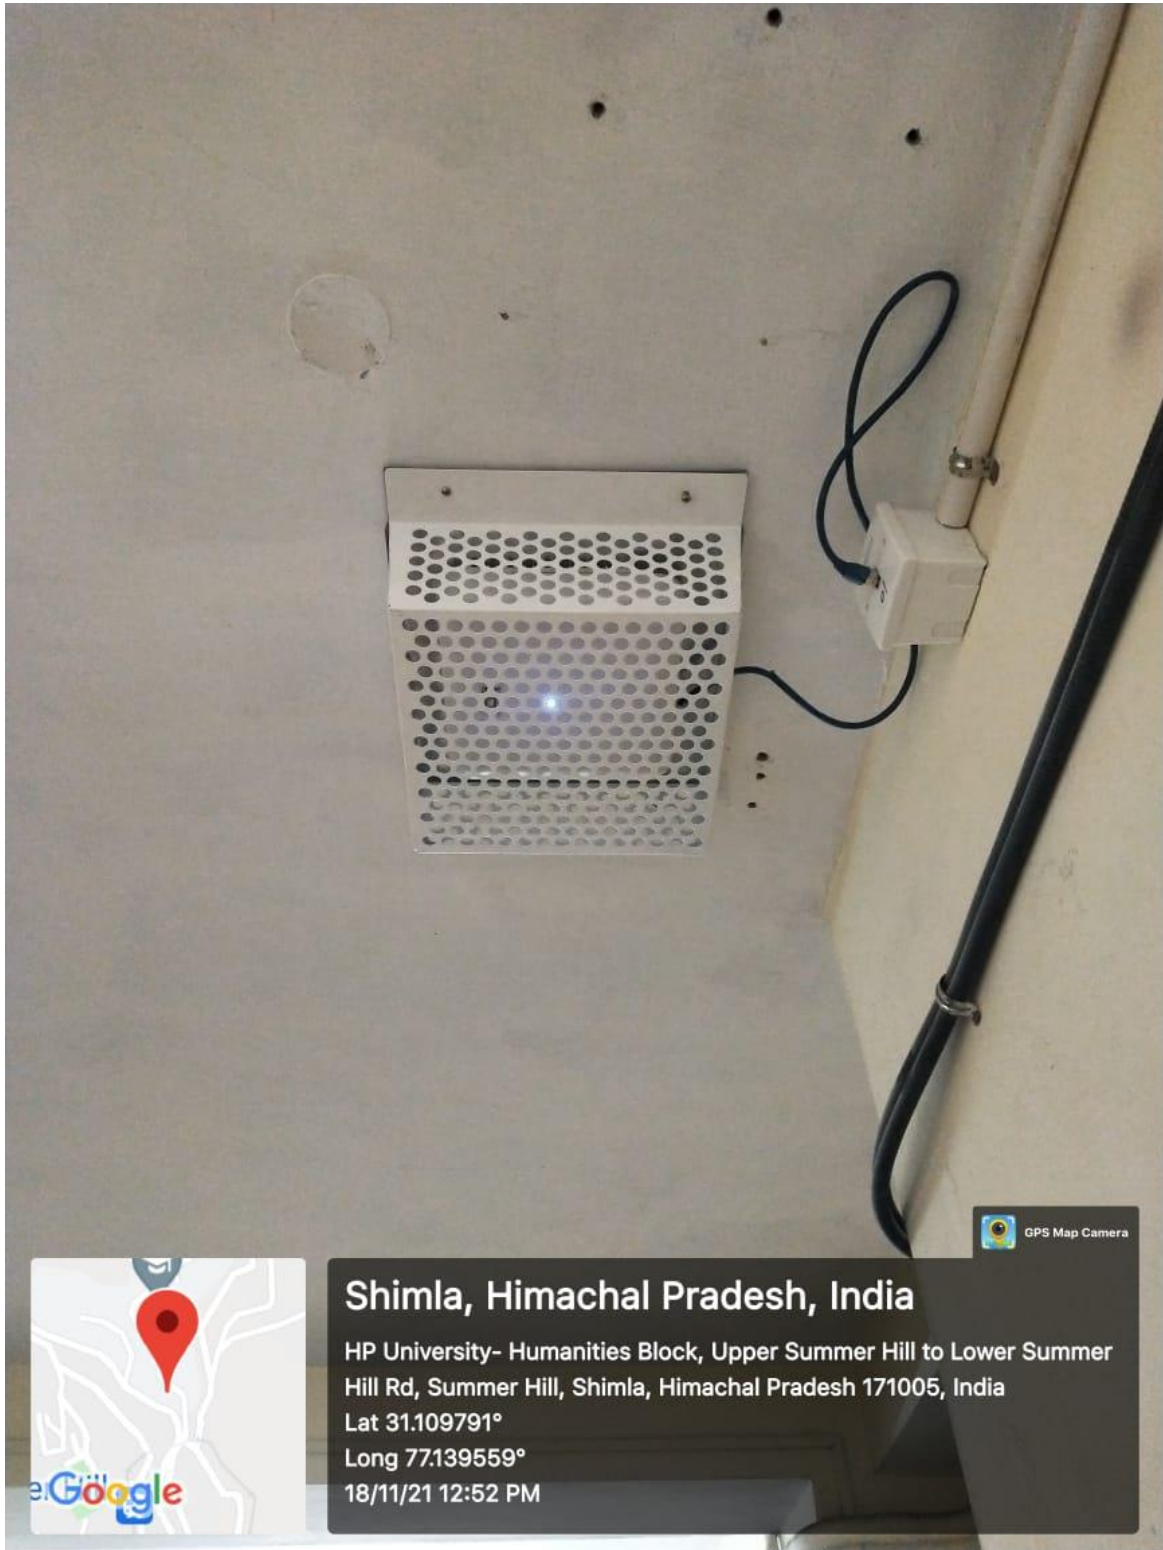

Use of ICT by Faculty

- Power Point presentations: Faculties are encouraged to use power-point presentations in their teaching by using LCD's and projectors.
- Seminar room is digitally equipped where guest lectures, expert talks and various competitions are regularly organized for students.
- Video Conferencing- Students are counselled with the help of Zoom/Google meet applications.
- Workshops- Teachers use various ICT tools for conducting workshops.

2.3.2 Teachers use ICT enabled tools including online resources for effective teaching and learning processes.

During the last five years, two computers were purchased through Store Purchase Section of Himachal Pradesh University for two faculty members along with printers. The facility of Wi-Fi is there for the students as well as for the teachers. These facilities provide great help to the students as well as to the teachers for advancement in higher learning.

2.3.2

Teachers use ICT – enabled tools including online resources for effective teaching and learning processes.

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences. Teaching–learning methods adopted by the faculty members include Lecture Method, Interactive Method, Project-based Learning, Computer-assisted Learning, Experiential Learning etc. The Teaching–learning activities are made effective through illustration and special lectures. Lessons are taught through Power point presentations to make learning interesting besides oral presenting methods.

Lecture method: This conventional method is commonly adopted by all the teachers. This method facilitates the teacher to interpret, explain and revise the content of a text only for better understanding of the subject by the learners.

Interactive method: The faculty members make learning interactive with students by motivating student participation in group discussion and questions and answers etc..

ICT Enabled Teaching: ICT enabled teaching includes Wi-Fi enabled class rooms with LCD, Smart Class rooms, E-learning resources. The institution adopts modern pedagogy in line with emerging trends to enhance teaching-learning process. Online reference, lecture talks, motivational talks, educational videos and web reference support the teaching-learning process. The institution has installed Wi-Fi on the campus to support the educational activities of the inmates.
