Classrooms Equipped with ICT Enabled Facilities

Glimpses of Online Teaching-Learning Methods

Cultural Ecology and Ethnicity

- Ethnicity is **closely linked** to cultural ecology and adaptation.
- Ethnic groups are closely associated with ecology. These ethnic groups work in such a way that they maintain their ethnic status but they still remain distinct from others.
- These ethnic groups are influenced by many factors in selecting their sites. Some immigrants were prompted by a desire, to find those lands which are ecologically similar to those they left behind in the old previous countries.
- In this case, the people were ecologically **preadapted** to get success in finding out new home similar to their own.

Cultural Ecology and Ethnicity Contd.

- **Cultural Preadaptation:**
- **Preadaptation** involves a complex of adaptive traits possessed by a group in advance of migration that gives them the ability to survive and a competitive advantage in colonizing the new environment.

2.3.2. Teachers use ICT enabled tools including online resources for effective teaching and learning processes

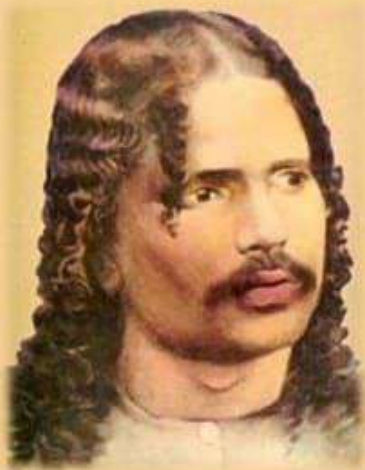

In the present era, it is essential for the students to learn and master the latest technologies in order to be corporate ready. As a consequence, teachers are combining technology with traditional mode of instruction to engage students in long term learning. The Department uses Information and Communication Technology (ICT) in education to support, enhance, and optimize the delivery of education. The following tools have been used by the Department.

ICT Tools:

- Projectors- 04 projectors are available in different classrooms/labs.
- Desktop and Laptops- Arranged at Computer Lab and Faculty cabins all over the campus.
- Printers - are installed at Chairman Cabins and all prominent places.
- Photocopier machines - Multifunction printers are available at Chairman's room. There is 01 photostat machine available in the Department.
- Scanners - Multifunction printers are available at all prominent places.
- Seminar Room is also equipped with all digital facilities.
- Online Classes through Zoom, Google Meet, Microsoft Team, Google Classroom).

Use of ICT by Faculty

- Power Point presentations: Faculties are encouraged to use power-point presentations in their teaching by using LCD's and projectors.
- Seminar room is digitally equipped where guest lectures, expert talks and various competitions are regularly organized for students.
- Video Conferencing- Students are counselled with the help of Zoom/Google meet applications.
- Workshops- Teachers use various ICT tools for conducting workshops.

Dear Students

These are reference PPTs which I used to run in class just for understanding of concept after completion of each unit.

You also treat them for reference only as these are not prepared from books rather borrowed from internet.

Take care and stay safe you all

Subject: Application for permission to visit Gaiety theatre, Shimla to attend the screening of short movie, Haati

Sir

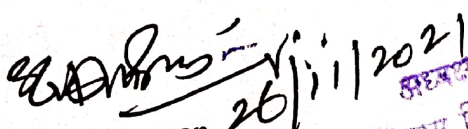

With all due respect, I wish to state that all the students of Department of History of session 2020-22 and 2021-23 (1st and 3rd semester) wish to visit Gaiety theatre, Shimla to attend the screening of short movie, Haati along with faculty members on 26th November, 2021 afternoon. The purpose of this visit is to develop an understanding of the students towards regional history and societal elements existing in Haati society of Sirmaur.

Thanking you

Yours' sincerely (Faculty accompanying)

 (Anjali Verma)

 (Ms Roshni Devi)

DEPARTMENT OF HISTORY
NAAC Accredited 'A' Grade University
Himachal Pradesh University, Summerhill
Shimla - 171005

97

1-122/2017-HPU (Hist.)-

Dated: 26.11.2021

Closure Report

As a part of teaching-learning activities, the students of 1st and 3rd semester of the Department of History were taken to Gaiety Theatre Shimla to attend the screening of the short movie, *Haati: We Exist*, along with two faculty members, Dr Anjali Verma and Ms Roshni Devi on 26th November, 2021 afternoon.

The purpose of the visit was to develop an understanding of the students towards regional history and societal elements present in Haati society of Sirmaur. The movie had important subtitle: *Tale of a Fading Tribe in India*. The screening was under official selection by International Film Festival of Shimla, 2021. The students enjoyed every scene of the movie. Few took notes in-between as well. Later a small interaction with the director Vivek Tewari was also done (but we could not take pictures of that part).

As most of the students were from Sirmaur region, hence, they could connect to the issue. The visit closed around 5pm with vote of thanks to the organizers of screening by Dr. Anjali Verma & Ms. Roshni.

Ms. Roshni Devi

1-122/2017-HPU (Hist.)-

Dated: 27.11.2021

Closure Report

As a part of activities, a heritage walk was conducted today on 27.11.2021 in the Department of History from Summer Hill to State Museum Chaura Maidan. Students of MA 1st and MA 3rd semester were accompanied by Dr Anjali Verma and Ms Roshni as faculty members. The Heritage walk started around 11:00 am and within half an hour the team reached State Museum Chaura Maidan, Shimla. Dr Hari Chauhan, along with his staff members, Mr Neeraj and Mr Narender welcomed the faculty and students. Dr. Hari Chauhan explained in detail the importance of Museums in context of History studies. The articles lying in the museum form a complete history and are an important link between the lost history and literary sources. Later, the students were assisted by Mr. Neeraj and Mr. Narender for the visit to various corridors of the museum where students took notes of the articles lying there. The numismatics, pottery, door jams & jewellery were displayed in the museum alongwith paintings as important material culture evidences. The most important observation was made on Spiti excavation. The visit closed around 5pm with vote of thanks to the staff of State Museum, Shimla by Dr. Anjali Verma & Ms. Roshni.

Department of Computer Science

2.3.2

Teachers use ICT – enabled tools including online resources for effective teaching and learning processes.

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences. Teaching–learning methods adopted by the faculty members include Lecture Method, Interactive Method, Project-based Learning, Computer-assisted Learning, Experiential Learning etc. The Teaching–learning activities are made effective through illustration and special lectures. Lessons are taught through Power point presentations to make learning interesting besides oral presenting methods.

Lecture method: This conventional method is commonly adopted by all the teachers. This method facilitates the teacher to interpret, explain and revise the content of a text only for better understanding of the subject by the learners.

Interactive method: The faculty members make learning interactive with students by motivating student participation in group discussion and questions and answers etc..

ICT Enabled Teaching: ICT enabled teaching includes Wi-Fi enabled class rooms with LCD, Smart Class rooms, E-learning resources. The institution adopts modern pedagogy in line with emerging trends to enhance teaching-learning process. Online reference, lecture talks, motivational talks, educational videos and web reference support the teaching-learning process. The institution has installed Wi-Fi on the campus to support the educational activities of the inmates.
