Dear Prof. A D N Bajpai,

I am pleased to inform you that the INFLIBNET Centre has renewed subscription to e-resources subscribed under the UGC-INFONET Digital Library Consortium for the year 2012. The Consortium now offers differential access to more than 7,500 peer-reviewed electronic journals (with more than 10 years back files or volume 1 onwards in several cases) and 11 bibliographic databases to core member universities. I am sure that faculty, research scholars and students from your university are making optimal usage of these e-resources for their academic and research work.

I am enclosing a list of e-resources with their URL that are accessible to your University. I would request you to kindly promote usage of these e-resources amongst your faculty, students and scholars. Further, please provide links to these e-resources on your University's web site to generate better awareness and accessibility of these resources to the users. You may also organize User Awareness programme in collaboration with INFLIBNET Centre

The INFLIBNET Centre maintains a comprehensive web site (<http://www.inflibnet.ac.in/econ>) for the Consortium that provides links to these e-resources, tutorials on each resource and search and browse interface for 7,500 journals subscribed by the Consortium.

I am enclosing herewith usage statistics for various e-resources for your university for the year 2011 for your kind perusal.

With warm regards

Yours sincerely

(Jagdish Arora)
